Dear Cleo & Char,

Greetings in Jesus' mighty name. As someone has so appropriately said "see God big, but keep it simple." With this wisdom in mind, I will also attempt to see the greatness of God, but keep this letter simple.

After my arrest and subsequent imprisonment in Mexico, it became apparent that the nature of my work in Mexico was going to have to change. Since I was not going to be living full-time in Mexico anymore, **Cornerstone International**, my sending agency, was no longer able to continue to be my legal covering. This meant that I needed to look for a new non-profit to work under which would be able to cover a ministry in which I was working alongside the national Mexican church, but no longer living directly on the field anymore.

After approaching a number of ministries, the Lord led us back to **Newsong Church** in Grove, Oklahoma. Newsong Church has been working with us for the past several years in the Huasteca region of Mexico. They have been deeply committed to working alongside the ministry of Ezequiel and Veronica, and have a burden for furthering the Kingdom of God throughout the world, and also specifically in the Huasteca of Mexico. As a church they are also able to cover my ministry legally, issuing tax receipts for all donations, and thus satisfying the regulations of the IRS. I am delighted to develop this relationship with a church which carries the same vision for the advancement of the Kingdom as you do, as is evidenced through your generous giving towards the work of God's people.

Upon the receipt of this letter, please make sure that all future donations are sent to:

**Newsong Church**  
P.O. Box 451839  
Grove, Oklahoma 74345

**Please make sure that all donations are made out to Newsong Church, but are marked for "Voice in the Wilderness" ministries in the note area of the check. Do not place my personal name on the check. This will ensure that all donations marked "VitW" are designated for the work which I continue to cover in Mexico.**

God's blessings on you as you continue to serve him. I thank you for your patience and understanding throughout the changes over the past year.

Your missionary,

---

All donations should be sent to **Newsong Church** P.O. Box 451839 Grove, Oklahoma 74345 and made out to **Newsong Church**. Mark for **Voice in the Wilderness** in the note area. Do not put Steve's name on the check.
